## Personal statement

---

Hello, my name is Rio Jihan, I am 19 years old, I come from Indonesia, my hobbies are drawing and sports such as football and martial arts, but I was also active in several fields when I was in junior high school, such as participating in martial arts competitions, taking part in scout activities, joining futsal competition. Apart from that, I also like drawing, but I draw according to my heart, sometimes I draw something abstract, ugly and sometimes beautiful. My dream is to be a person who can make my family proud and elevate my parents.
